

## **NEW IMMUNIZATION REQUIREMENT FOR RISING SENIORS:**

North Carolina law now requires **all rising 12th graders** receive a **meningococcal vaccine booster before starting 12th grade**. This includes those students enrolled in the Virtual Academy. The vaccination must be done before the 21-22 school year begins. Parents will need to provide a copy of their child's immunization record showing proof that the meningococcal vaccine has been completed prior to the first day of school. This is a 2-dose immunization; the 1<sup>st</sup> dose was required in the 7<sup>th</sup> grade in Wake County schools.
