

NC COLLEGE APPLICATION WEEK

Participating Colleges and Universities

Overview

NC College Application Week is a state-wide promotional week for NC high school seniors to apply and apply early to colleges and universities in North Carolina. CAW's popularity has led some colleges and universities to decide to entirely waive the application fee during this week. Not every participating college or university waives their application fee; however for those who qualify they will accept the College Board College Application Fee Waiver during CAW.

Application Fee Waivers Based on Financial Need

Waivers of admission application fees for students with a demonstrated financial need and for whom an application fee would create an undue burden are provided at all of the 36 private colleges and universities as well as all of the 16 University of North Carolina system campuses.

Application fee waivers due to financial hardship are provided to ensure no student is deprived of the opportunity to pursue admission to the institution(s) of their choice.

College Board – College Application Fee Waivers	ACT Application Fee Waiver
<p>College application fee waivers (CAFW) will be distributed electronically to eligible students. Because students who take the SAT using a fee waiver have already had their eligibility verified by their counselor, CAFWs do not require additional counselor approval.</p> <p>Eligible students will receive notification of their CAFWs and be able to access them via their College Board accounts. Students are assigned a unique fee waiver code that they can submit with four of their college applications.</p> <p>For more information on CAFWs visit: https://satresourcecenter.collegeboard.org/college-application-fee-waivers</p>	<p>ACT provides a “Request for Waiver or Deferral of College Admission Application Fee”. The request is for a college to consider waiving or deferring payment of the college admission application fee for the student who has also applied for an ACT test fee waiver on the basis of one of more of the indicators of economic need identified by ACT.</p> <p>The form is to be completed and signed by the student and a High School Official and submitted along with the college application. It is the college’s decision as to whether or not the application fee will be waived or deferred.</p>
